Pukekura Park Tennis Club Interclub Information 2018/19

Interclub tennis consists of weekly competitions between teams from different clubs in Taranaki. This information sheet provides some background information about the different Interclub grades.

Your senior and junior club membership fee covers Interclub team fees, as well as affiliation fees to Tennis New Zealand and the Taranaki Tennis Association. You need to be a fully-paid affiliated member of the Club to play Interclub.

If you are interested in playing Interclub this season, please **register your interclub interest when registering online or on the Membership Form as soon as possible**. Interclub starts in October and restarts in Jan/Feb after the summer break. Additional teams are added at end of January upon demand.

Please remember that **Interclub requires a commitment to your team for the full season** (Oct-Dec, and late Jan-Mar). If you cannot commit to play every week but would still like to be involved, you can go onto our “reserve” list for your grade.

Adult Interclub Competitions (A grade, Presidents, Midweek Ladies)

Team composition varies depending on grade. Ball money is collected each week to cover new balls used – usually \$1 per game played. Home teams provide an afternoon tea to socialise with the opposition & bar opens at approved times.

Junior & Youth Interclub Competitions

Each team consists of 5-6 members, with 4 players on court each week. Each team has an adult (parent) Team Manager – who is supported by the PPTC Interclub Co-ordinators. Games are self-umpired, however team managers keep an eye on players & matches. Junior and Youth grades play on Fridays during school terms.

PPTC provides each player with a green polo shirt for the season, which must be returned to the club at the end of the season. Players are expected to wear a skirt or shorts with pockets for a ball (or other means of holding the 2nd ball). Sun protection and a hat are recommended. A set of balls is provided for each team.
